We therefore affirm the order of the district court. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process. AFFIRMED 4 Getting a start on an on-site hazardous waste management system—like putting together a waste disposal system—is often daunting for new owners. To help streamline this process, we’ve compiled a list of the things to consider when setting up a hazardous waste management system. Removing Hazardous Waste When Selling a Property If you choose to recycle hazardous waste at the time of sale, always clean up the containers and place them in the curb-side yellow, plastic bins for pick-up at a disposal site. If you’re selling a home that collects hazardous waste, be sure to create a space where the recyclables and/or hazardous waste can be collected and stored in a lockable bin. Safety is always a concern when disposing of waste, but our bin storage locations are
