tell her that that was to the best of my knowledge. But I love all your ginger cake recipes, and I can't wait to try this one, too! I just made this recipe last night for my husband's birthday. We love the ginger in it. I had a problem with the oven on that last batch. It overheated. Luckily it was only a matter of a few minutes. But I've been using the round cake for years and it's really the only one for which I don't add anything in. I think I'll get a new one in the future. This looks awesome! My love for ginger is well known to all the while, but I don't think I've ever realized that it has so many types of uses and flavors. Actually, I never would have thought it could taste so good if it weren't for your awesome blog. I look forward to looking at your recipes often! Stumbled on this recipe (a pumpkin in process) and made it for my husband and I this evening. Once I couldn't find the water, I knew that I had better make a trip to the store and get a couple more bottles. (i had to make two batches so that the cake would hold together properly- if i had tried to just put some into the oven, the cake would have fallen apart.) This cake came out fantastic! I had a cutting board full of fresh ginger for making tea the next morning, and it put a smile on my face when I had a slice. Thanks for a lovely recipe! OMG. OMG. OMG. To think, my youngest was whining all weekend about having no cake. My husband and I just made this ginger cake for him. So yummy! I am going to have to keep this recipe on hand for him. Thank you for sharing! I tried this cake today and it was amazing. I used fresh grated ginger, and skipped the ginger syrup part on the 1st one but it was a little cloying for my taste so I just used less of that on the second one. I made this cake for my best friend's birthday. Her husband is a 5th degree black belt and today is his birthday. I was feeling a little guilty because I've been mooching off of her for about a year now for food. So I made her this cake for

Q: I want to implement both tdd and bdd testing in magento. Is it possible I want to implement both tdd and bdd testing in magento. Is it possible. Please help. A: You can easily develop test driven extension. I have covered those and few more thing in this answer, check it out. Also Magento 2 are developing on top of test driven approach and they can provide many standard test cases. You can get extension or code on Github and get help. Q: Functional test for jqxChart - how to add y-axis properly My main problem is that I need to add a y-axis. I have a db table, in the table I have a primary key (id), a column (filename) and a column (status) Here is my main code to construct jqxChart: `var data = json.serviceData.content; var options = { title: 'Projects', // Show a legend in the chart? legend: { position: 'bottom' }, // Padding for the chart padding: { left: 10, right: 10, top: 40, bottom: 40`
