[Download](#)

This book is an excellent study guide for anyone interested in the travel industry. Author Paula Kerr is well versed and knows her stuff. Excellent book! I certainly recommend her to my clients, one of my acquaintances, who has attended her seminars, told me. This is the best travel book. Firstly, it is really understandable - it is easy to read and understand, and, in addition, it is written in a very lively language. Paula Kerr goes into great detail about all the details of tourism, and her book gives the reader an idea of how to set up a business in an industry, especially the tourism industry.
