He seduces a young girl, actress Sadhana But Sadhana asks his patron to help him in order to save his career. Vidu agrees and helps the actor, but faces great difficulties, because every day he has to fight against the greedy rich who dream of getting rich at the expense of the girl. At the height of the rainy season, at the foot of the Himalayas, twin brothers, Prince Ram and Prince Deepak, set off in search of adventure in the Himalayas. They, blown by a cool wind, in search of warmth, hid among the stones when they were attacked by an evil sorceress. The royal mother's curse was not one she intended to break. Her passionate love for her warrior spouse and her lustful desire for half-breed children have kept her awake in recent years. A beautiful, beautiful woman, Mother India, was the main culprit of all the misfortunes that were happening in the country. Once, in a distant snow-covered mountainous country, on a huge stone plateau, a heart-rending cry was heard. It was not a man who shouted, but nature itself: disturbed by the roar of an avalanche, it unleashed a terrible roar on the surroundings. From birth, children are given one chance in life: to discover the gift of the Creator in themselves and create a Miracle! Bewitched by witchcraft, the unfortunate Azirapheya found herself in a magical land - Narnia. There, in the heart of impenetrable forests, lives Prince Caspian, whom she promised to help in search of a magic ring that grants wishes. But the demon, the disgusting sorceress Ondine, has the ring. Caspian will have to fight her in order to free all the inhabitants of Narnia from her curse. The change of light and darkness is the true mystery in the world. One day, the ancient sorcerer Ongon, who lives in the depths of the Abyss, noticed this, and wishing to show the whole World the power of magic, he brought to life the magic of cold and darkness. In response, from the darkness, Ongon returned his ancient curse: he became a werewolf, looking for his prey, turning everything.
