Sales at the shop are going strong, and more than 60 percent of our customers are new to the brand. While we were busy working on this month's new arrivals, we took the opportunity to speak with our partners in the coffee industry about what they think of Stumptown and where the future of coffee is headed. In April, we

celebrated World Oolong Day with cups of tea, and we couldn't be happier about the responses. Tell us a little about your current relationship with oolong. SGB: Oolong—one of the best-known teas in China, Japan, and elsewhere—is
